Indian polity by Laxmikant 5th edition pdf free download Indian polity is the study of the principles of government, law and constitution in India. The textbook covers all aspects of Indian politics. More than just an academic textbook, this book provides an insight into the practical functioning of Indian democracy and its socio-economic progress. Laxmikant is a professor at National Academy for Educational Planning and Administration, New Delhi; his work has been published internationally. He has also served as advisor to various ministries at the Centre as well as in states like Jharkhand, Haryana and Maharashtra. This book was first published by Pearson India (P) Ltd. in 2009. The textbook provides an insight into the practical functioning of Indian democracy and its socio-economic progress. It has made an important contribution to the conversation on India's constitutional transformation under the new paradigm of development by providing a comprehensive account of the creation of Indian polity, including theory and practice. Readers will find this book illuminating as well as very readable, particularly on topics that are related to everyday realities in Indian politics, government policy and administration. The text is based on extensive research on diverse fields including political science, sociology, law and economics, linguistics and anthropology. The book is meant for students at all levels (up to postgraduate) of graduate programmes in India or abroad. The textbook has been thoroughly revised and updated to include the following:

Title: Indian polity by Laxmikant 5th edition pdf free download File name: indian-polity-by-laxmikant-5th-edition-pdf.pdf | Size: 23 Mb (234352781 bytes) Indian polity has been divided in 14 Parts and it has 10 Chapters in each part. There are 2 parts in this book. First part is concerned with the Constitution of India and second part is concerned with Union and State governments. Here we can view each chapter with their topics, subjects and syllabus covered in the chapter. Part 1 of the book is concerned with the Constitution of India. The first chapter gives an introduction to the history of the Indian constitution from ancient times to the present. It also discusses administrative arrangements of princely states. The second chapter provides a discussion on politics and society in India, and includes topics like: The third chapter encompasses: This part covers only one chapter and that is about federalism in India. It also discusses about Centre-State Relations and Centre-State Revenues. Here we can see the topics with syllabus covered for this chapter.

Part 3 of this book includes General Election, Parliament, Rajya Sabha, State Legislatures and Urban Local Bodies (Nagar palika). The first chapter is about Union Elections. The second chapter is concerned with Parliament elections since 1950, the history of the Rajya Sabha, and political parties. This part has one chapter and that is about Urban Local Bodies. There are two chapters in this part of the book. Part 4 of this book covers Union and State Governments after Independence. These parts have only one chapter each and that is about Indian Constitution under the Constitution (Seventy-seventh Amendment) Act, 2005. Here we can see the topics with syllabus covered for these two chapters.

Part 5 includes Topics from Politics, Society and Administration from pre-independence to post-independence period of India.
